

IMPACT AFRICA

Who am I?

My name is Efrain Roldan, I'm 20 years old and I live in Costa Rica. I was born into a Christian family, but accepted Jesus into my life at the age of 12 years old when I got baptized. During my adolescence I started going to The Vineyard Escazu, which turned into my home and when I learned more about who God was and what he did for me. After that, around my 17 years of age, without realizing it, I went away from God and I started giving priority to other things of the world and not priority to God. Nonetheless, this year, by God's grace I started having a relationship with Him and this led me to take the best decision I have made.

To follow Jesus.

These past few months I started to feel challenged to do more with my faith - to bring it to the next level. The desire of taking the Gospel to the nations has only grown over the year.

Where am I going?

Impact Africa is an organization located in Johannesburg, South Africa which has as goal through many programs to serve, educate and rescue all of the people who do not know about the Gospel, leading them to have a relationship with Jesus. These are some examples of the functions of Impact Africa.

"Baby Rescue" takes care of rescuing babies that have been abandoned and taking them through adoption into Christian families. They are also responsible for raising awareness among future mothers about the existence of this aid and ways to prevent it. Each day, from 3 to 4 babies are abandoned in Johannesburg alone.

"Impact Kids" and **"Impact Students"** takes care of developing, educating and teach about the Gospel to kids and teenagers. Through this, around **7,581** students have decided to follow Christ.

Community outreach is taking the Gospel to the villages and communities that have never heard of the great news. This has impacted **67,788** people, who have decided to follow Christ.

What am I doing?

I am going to share the love of God and the Gospel to the poorest communities in South Africa. In one of the programs offered by Impact Africa, I will also learn how to take the gospel to other cultures, how to make disciples and how to be more like Jesus. Also, practice with the skills and tools that God has given me to be able to serve God in a much more intentional way, whether in South Africa, Costa Rica, or wherever God wants to send me.

I believe that there is nothing more joy fulfilling than serving God. I want to be an instrument for Christ and save lives. Im going not only to serve, but to seek God first and follow his will for me.

Support

Prayer - 1 Thessalonians 5:16-18

The support in prayer is vital. I ask to pray for this discipleship travel, for strength and God's protection. I also ask that we pray together for those who do not know Jesus, for more missionaries to preach the Gospel around the world.

Economic - 2 Corinthians 9:12

I need to fundraise \$11,000. This covers things like the plane ticket, the visa, food, housing materials and life insurance during this 6 months.

If you are interested in supporting me financially either a contribution or a monthly support, I do not ask you for a specific amount. I only ask that you pray for God to guide you in this decision. For donating, you can do it from the Impact Africa webpage (see bottom of page) or in the following bank accounts.
